Bug2Hunt › BUG-5 POST /bugs/ returns 500 instead of 422 for invalid severity ENUM value

Done Bug

POST /bugs/ returns 500 instead of 422 for invalid severity ENUM value

- **Steps to Reproduce:** Send POST /bugs/ with severity set to "catastrophic" via Swagger UI
- **Expected:** 422 Unprocessable Entity
- **Actual:** 500 Internal Server Error
- **Status:** Done
